

Strengthening educator's competencies for distance STEM learning through physical computing & DIY electronics

www.scrapykit.eu

The SCRAPY Coder

You can access the SCRAPY Coder here: <https://coder.scrapykit.eu/> and begin doing the twelve SCRAPY experiments that were developed by the consortium! After completing each experiment you will receive an Open Badge!

The SCRAPY Academy

Project No: 2021-1-FR01-FA220-SCH-000031617

The SCRAPY Academy

You can access the SCRAPY Academy here: <https://academy.scrapykit.eu/> where you will be able to access all of the materials developed by the partnership. After completing each module you will receive an Open Badge!

The Open Badges!

Open Badges are a digital representation of skills, learning outcomes, achievements, or experience.

Open Badges can be shared

Badges can also be shared on blogs, websites, e-Portfolios, and professional networks, in job applications, on social media sites – such as Twitter, Google+, Facebook, LinkedIn and also in an e-mail signature.

SCRAPY Badges

You can achieve up to 31 badges for the SCRAPY project! There 18 badges for the modules and 1 overall badge plus 12 badges for each experiment in the Coder!

Co-funded by
the European Union

SCRAPY
consortium
